General Fund

The FY25 General Fund First Pass currently has a budget gap of \$8,718,620. Please note the following regarding General Fund Revenue:

- At this point, the General Fund is conservatively projected to have an operating deficit in the current fiscal year, and is projected to use \$1,961,797 of the \$4,067,500 that was appropriated in the FY24 budget.
- The FY25 General Fund First Pass does not include any increase in the Tax Levy. The Village may increase the Tax Levy by up to \$1,658,300 and remain NYS Tax Cap Compliant. This would result in a 3.57% increase in the Tax Levy and a 2.84% increase in the Village Tax Rate; and reduce the budget gap to \$6,756,823.
- The FY25 General Fund First Pass does not include any appropriation of Fund Balance
- The First Pass accounts for the six-month moratorium of building department activity, and as such, has a Building Department Revenue estimated at \$1,669,000, less than the current year adopted budget.
- FY24 is the last year of the Crane Berkely tax assessment, and therefore the FY25 account 1028-0 Special Assessment is zero.
- Please note, FY25 is the last year of our Payment in Lieu of Taxes with Renamba, LLC. This will be included in the taxable assessment for FY26.
- Sales Tax continues to surpass the current year budget. We are projecting to end the year with Sales Tax revenue of \$4,450,000; and this same number is used in the FY25 request.
- Parking permits revenue is budgeted at \$105,000 above the current year adopted, totaling \$1,010,000; equal the current year end projection.

- Recreation revenue is detailed as entered by the Parks Superintendent. Please note, the changes in revenue are the result of detailed calculations based on the current year participation, as well as recommendation for changes in fees.
- Interest earnings, based on conversations with NYLAF, are expected to exceed the current year budget. The FY25 First Pass estimate of \$2,200,000, equal to the current year end projection. We feel that this is achievable based on projected rates applied to our cash flow projections.
- Mortgage Tax will be realized below our adopted budget for the current year. Based on mortgage rates, we are projecting this decline to continue into the next fiscal year.

Noteworthy expense items of the General Fund:

- Departmental Requested expenses are 4% above the current adopted budget. The primary drivers are salary increase of Police, which increased salaries at 6/1/2023 by 3% and 2.5% at 6/1/2024; Teamsters, which increased salaries at 6/1/2023 by 2.25% and 2.5% 6/1/24. Non-Union salaries, for budgeting purposes, were increased by 2%. CSEA and Fire salaries do not include increases.
- Equipment included in the departmental FY25 First Pass totals \$1,863,636, as compared to the \$1,984,024 included in the current year adopted.
- The FY25 First Pass includes one half-time position and to upgrade one position:
 - The Public Works department is requesting the Part Time Administrative position that was approved in the FY24 budget to be increased to a Full Time Position. The increase in cost for this request is \$25,000.
 - The Public Works department is also requesting the upgrade of one Maintenance Mechanic position. The cost for this increase is \$16,000.
- We have not received budget request documents from Scarsdale Family Counseling. The FY25 First Pass includes a 2% increase to both the Adult and Youth contractual lines.
- The following three mandated expenses account for an increase of FY25 General Fund expenses of \$1,662,500.
 - The NYS Employee Retirement System, which covers all non-uniformed employees, increased \$210,000 from the current year adopted budget.
 - The NYS Police and Fire Retirement System increased \$635,000 from the current year adopted budget.
 - The FY25 Request includes an increase to Health Insurance Expense of \$817,500.
- The Transfer from the General Fund to the Library Fund equals the amount requested in the Library FY25 First Pass. This is an increase of \$214,439 over the current year adopted.
- The Transfer from the General Fund to the Central Garage Fund equals the amount requested in the Central Garage FY25 First Pass. This is an increase of \$347,000 over the current year adopted.
- The Transfer from the General Fund to the Capital Fund equals the amount requested to be funded for FY25 Capital Projects by the General Fund. The request is \$2,033,667 above the current year request, totaling \$5,532,141.

Capital Requests

- Capital request schedules have been included in two formats, the first by department presenting the request and the second by funding source. [Detail on each project can be viewed on ClearGov.](#)

Pool Fund

The FY25 First Pass for the Pool Fund is 14% above the current year adopted budget. Primary drivers are:

Revenue is budgeted to increase in both Pool Permits and Special Program Fees, based on increases in fees charged.

Personnel expenses are budgeted to increase based on changes in minimum wage. Operational Expense are scheduled to increase due price escalation of contractual services.

The Pool Fund currently has a fund balance of \$516,000; and at this point is projected to end the current fiscal year equal to the adopted budget.

Water Fund

The Water Fund FY25 First Pass calls for a 3% increase in the base water rate, as consistent with the past two fiscal years. In addition, the FY25 First Pass has an increase in Interfund Transfers from the Water Fund that services non-Scarsdale properties from \$700,000 in the current year adopted budget to \$950,000.

The Teamsters contract included a 2.25% increase for the current year and a 2.5% increase for the fiscal year starting June 1, 2024. These increases contributed to the personal expense increase of 3% above the current year adopted budget.

In total, Operational Expenses increased 5% or \$242,000 from the current year adopted budget. This accounts not only for the increase in costs, but also, the increase in materials requested to complete work.

The current year budget includes bond issuance proceeds as well as appropriation for Capital Project work. As timing has been an issue, such work has not been included in the FY25 Request. As Capital projects are ready to proceed, the Water Staff will present resolution for approval of bond issuance and the related contracts for execution.

16% increase in NYS Pension Expense, from \$129,000 in the current year adopted budget to \$150,000 in the FY25 budget request, based on projected bills from the NYS Office of the State Comptroller.

12% increase in Health Insurance Premiums, from \$430,000 in the current year adopted budget to \$480,000 in the FY25 budget request, based premium increases effective January 2024 and projected increase of 6% effective January 2025.

The Water Fund is projected to end FY24 equal to the amended budget, which would result in the fund balance of \$7,125,186 remaining into FY25.

Library Fund

The Library Fund FY25 First Pass calls for a 4.75% increase from the General Fund as compared to the current year adopted budget. In addition, the FY25 First Pass includes \$48,213 in revenue to be used from Trust accounts that have been held for Library needs.

The CSEA Library contract included a 2.25% increase for the current year and a 2.5% increase for the fiscal year starting June 1, 2024. These increases contributed to the personal expense increase of 3.46% above the current year adopted budget.

28% increase in NYS Pension Expense, from \$210,000 in the current year adopted budget to \$269,000 in the FY25 budget request, based on projected bills from the NYS Office of the State Comptroller.

19% increase in Health Insurance Premiums, from \$611,000 in the current year adopted budget to \$729,000 in the FY25 budget request, based premium increases effective January 2024 and projected increase of 6% effective January 2025.

The Library Fund is projected to end FY24 with a deficit of \$175,000, which if realized would result in a fund balance of \$932,494, equaling 19% of the FY25 Request.

Central Garage Fund

The FY25 First Pass for the Central Garage Fund is 14% above the current year adopted budget.

Primary drivers are:

16% increase in NYS Pension Expense, from \$152,000 in the current year adopted budget to \$177,000 in the FY25 budget request, based on projected bills from the NYS Office of the State Comptroller.

15% increase in Health Insurance Premiums, from \$429,725 in the current year adopted budget to \$493,864 in the FY25 budget request, based premium increases effective January 2024 and projected increase of 6% effective January 2025.

8.7% increase in Equipment, from \$15,000 to \$145,000, of which comprises of Six Lifts, Tire Balancer and Changer Equipment. Please note, all equipment costs are shared with the Board of Education and these numbers represent the Village's share.

5% increase in Insurance Premiums, from \$65,000 in the current year adopted budget to \$68,000 in the FY25 budget request, due to industry standards in insurance trends.

The balance of the increase in expenses is due to staff salary adjustments as the Teamster contract has been settled and the request represents the negotiated amounts.

This fund is projected to end the current year equal to our adopted budget.

Please feel free to contact me with any questions or comments.
