November 27, 2024

### **Fox Meadow Road Resurfacing Starting Monday, December 02**

Final roadway milling and resurfacing operations will begin on Monday, December 2, 2024, along Fox Meadow Road, specifically between Chesterfield Road and a point just south of Ogden Road. This resurfacing marks the final phase of restoration following Con Edison's replacement of their gas transmission main in this area. Work will take place between 7 AM and 5 PM.

Separately, the portion of Fox Meadow Road between Fenimore Road and Crane Road will undergo temporary resurfacing next week to improve rideability while Con Edison continues its infrastructure work.

The Village anticipates completing all resurfacing work by **December 06, 2024**, weather permitting.

#### **Important Details:**

- **No Parking:** Parking will be prohibited in active work zones along Fox Meadow Road.
- **Detours:** Necessary detours will be clearly posted, and motorists are strongly encouraged to avoid the area when possible.
- **Expect Delays:** Residents should anticipate road closures and potential delays during work hours.

Village and contractor staff will be on-site to assist residents throughout the duration of this project. For questions or concerns, please contact the **Engineering Department at 914.722.1106**. Thank you for your patience and cooperation as this essential restoration work is completed.
