### **Dive Into the Future: Pool Project Presentation – October 29**

The Village of Scarsdale invites you to attend a presentation regarding next steps for the Scarsdale Pool Complex on Wednesday, October 29, 2025, at 7PM in Rutherford Hall. During this meeting, updates will be given to the Village Board and the public on the following elements of the project:

- Presentation of the current 100% Schematic Design Package
- Renderings of a possible indoor/outdoor facility
- Review of construction cost estimates
- Updated market analysis and overview of operational expenses
- Long-term financing options and tax implications

No decisions will be made at this meeting, as the Village aims to present the schematic design, begin the public feedback process, and gather extensive input before determining next steps. If you are unable to attend the meeting in person, don't worry. You can join the meeting virtually via Zoom at <https://scarsdale.zoom.us/j/93183703358>. We hope you will join us and share your feedback on this important community asset!
