Snow-Related Change in Sanitation Pick-up Schedule

Due to the impending snow storm, the scheduled Thursday, February 09, 2017, morning garbage collection will be delayed until after local roads have been safely cleared for travel.

Any resident unable to provide a safe, cleared path to the rear-yard or other usual location of their garbage and commingled recyclables should place them at the curb for pick-up on Thursday, February 09, 2017.

Based on the weather forecast, we anticipate that normal sanitation collection operations and scheduling will resume on Friday, February 10, 2017. Please be sure to remove all snow and ice from driveways and walkways to provide clear access to your garbage and commingled recyclables.

The Recycling Center, located at 110 Secor Road, will maintain normal operating hours, from 8:00AM-3:00PM, Monday thru Saturday, for residents wishing to dispose of their recyclables & garbage.
