### Winter Storm: Sanitation Schedule and Farmers Market

Please note that today's garbage pick-up has been canceled due to prevailing weather conditions. The [Monday/Thursday](#) garbage pick-up will resume on Monday, January 8<sup>th</sup>. If necessary, residents may drop off garbage at the Recycling Center, 110 Secor Road, Monday through Saturday, from 8:00 AM to 3:00 PM.

Today's curbside newspaper pick-up will continue as scheduled.

Residents with [Tuesday/Friday](#) garbage and comingled recyclables collection should note that our current plan is to proceed tomorrow with the normal rear yard pick-up schedule; however, there must be a **clear path** provided for our personnel to safely access and remove the materials.

Please also note that today's [Winter Farmers Market](#) has been canceled, as well.

Finally, all residents are encouraged to review the [Snowstorm and Extreme Cold Tips](#) available from Ready.gov.

Be safe and please take time to check on any vulnerable friends, family, and neighbors over the next couple of days as the snow passes and extreme cold settles into the area.
