### Openings on Boards, Councils, and Committees

The Personnel Committee of the Village Board is asking residents interested in volunteering to serve on [Village Boards, Councils, and Committees](#) to submit their names for consideration. New terms will begin April 02, 2018. Candidates interested in serving on any Board, Council, or Committee should apply using the [application form](#) available on the Village website or in-person at Village Hall. It is also helpful for Scarsdale residents to provide written suggestions of individuals who should be considered for appointment. To nominate another resident, please submit that person's contact information, including an email address, to [dconkling@scarsdale.com](mailto:dconkling@scarsdale.com).

The information may be submitted on or before March 01, 2018, in one of two ways:

**Online:** Just click [HERE](#) to apply. One may also visit [www.scarsdale.com](http://www.scarsdale.com), scroll down to the Village Highlights section, and click on the Highlight story, "Volunteers Needed for Citizen Boards, Councils, and Committees." From there, simply click "[APPLY](#) today."

**In-Person or by Mail:** An application may be picked-up from the Village Clerk's Office at Village Hall and either submitted in-person or by mail to Trustee Seth Ross, Scarsdale Village Hall, 1001 Post Road, Scarsdale NY 10583.

Residents are welcome to contact the Personnel Committee Chair, Trustee Seth Ross, by e-mail at [seth.h.ross@gmail.com](mailto:seth.h.ross@gmail.com) with any questions about these opportunities to serve the community. The Village Clerk, Donna Conkling, is also available to assist by phone at 914-722-1175, or by e-mail using [dconkling@scarsdale.com](mailto:dconkling@scarsdale.com).

Pursuant to the general policy adopted by the Village Board, guidelines for membership on [Scarsdale's appointed Boards, Councils, and Committees](#) cover four areas:

1. Residency

Boards, Committees, and Advisory Councils are comprised of residents of the Village. While comments from outside the community can be sought as needed, actions recommended or taken by Boards, Committees, and Advisory Councils should ultimately reflect the views of Village residents.

2. Professional or Business Affiliation

Various professional skills and training are required by Village law or deemed desirable by the Village Board of Trustees for the successful fulfillment of some Board, Council, or Committee charters.

3. Civic Interest and Involvement

The majority of the members of Village Boards and Councils are appointed by reason of demonstrated interest in Village affairs, through volunteer involvement. Scarsdale is the beneficiary of a long history of voluntary civic endeavors. Since the overriding purpose of Boards, Committees, and Councils is to assure the continuation of high community standards, it is appropriate that members on Boards, Committees, and Councils be those residents who have demonstrated willingness and initiative to work in support of this objective.

4. Specialized Knowledge

Certain Boards, Committees, and Councils benefit by having one or more members with specialized knowledge. For example, the Cable Television Commission benefits by having people with knowledge of the communications industry; the Advisory Council on People with Disabilities would benefit from the experience of residents with disabilities; the Advisory Council on Youth would benefit from people who have worked with young people.

The following are the terms of office and responsibilities for members appointed to the [Boards, Councils, and Committees](#):
